As the Holiday Season is upon us, we reflect on the past year and on those who have helped us in serving the internet communities in Vanuatu.

We value your support and partnership, and look forward to working with you in 2021.

Our thoughts also turn to
those who had made our progress
and achievements possible,
we sincerely thank you.

To you all, and to our fans, **Vanuatu IGF**
wishes you and your family a happy
holiday season & a new year filled with
peace, prosperity and good health.
Happy Holidays!

From,
Vanuatu IGF Secretariat
